## POLL SHOWS TREATY WILL BE ACCEPTED

Test Shows Four Power Pact  
Will Be Ratified by a  
Vote of at Least  
62 to 27.

**WILL HAVE RESERVATION**  
Brandegee Proposal Will Not  
Be Eliminated—Final Ac-  
tion to Be Taken  
Tomorrow.

By United Press.  
WASHINGTON, March 23.—An eleventh  
hour poll of the Senate on the Four  
Power Treaty, taken today by admin-  
istration senators, showed it will be rat-  
ified tomorrow, with the Brandegee re-  
servation attached, by a vote of at least  
62 to 27.

The poll also disclosed the fact that  
the danger of an upset today due to the  
desires of some Republican senators to  
eliminate the Brandegee reservation is  
past. Fewer than a dozen Republicans  
would vote for a motion to strike out  
the Brandegee proposal.

**SENIORS PROMISE HELP  
IN ORGANIZING ALUMNI**  
President and Mrs. Jones Will En-  
tertain for Class of '22 at  
Gymnasium.

The University seniors pledged them-  
selves yesterday afternoon to help Pres-  
ident J. C. Jones in his efforts to or-  
ganize alumni and former students, set  
a standard to revive Class Day exercises  
during Commencement Week, set a tra-  
dition for future graduating classes by  
having a class memorial to the University,  
and to accept President and Mrs. Jones'  
invitation to attend a party at  
Bathwell Gymnasium.

President Jones emphasized the loyalty  
and allegiance students should have for  
their Alma Mater. "Graduates of the Uni-  
versity ought to love their Alma Mater,  
and I cannot over-emphasize the obliga-  
tion they have to the University. Many  
who leave are inclined to look at one side  
of the question. The University spends  
at least \$1,000 for each student during  
the four years stayed here, and it should  
be no more than proper for students to  
do something in turn for the University,"  
said President Jones.

R. L. Hill, alumni recorder, also  
spoke, particularly on alumni organiza-  
tion. Mr. Hill urged the seniors to af-  
firm themselves with alumni organizations  
throughout the country.

A committee was appointed by George  
A. Bond, senior president, to decide what  
should be the best memorial. The mem-  
bers of the committee are: Frank Stoner,  
C. P. Burch, and Miss Eileen Lan-  
caster. Another committee was appointed  
to see President Jones concerning the  
Class Day program.

## VOCATIONAL CHECKS HERE

Appropriation Is Passed Tuesday  
Morning.

The checks for the vocational students  
in the University arrived this morning  
and were given out this afternoon. These  
checks, which were due last Monday  
morning, have been in St. Louis awaiting  
an order for release because the appro-  
priation, had run out. The appropriation  
was passed on Tuesday, and St. Louis  
received the order to release the checks  
Tuesday afternoon. Because the checks  
were sent to Chillicothe they did not ar-  
rive here until today.
